EXCELLENCE IN BUSINESS IN
MINNESOTA'S SIXTH

HON. TOM EMMER

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 21, 2016

Mr. EMMER of Minnesota. Mr. Speaker, I rise today to recognize the four businesses that received MetroNorth Chamber's 2015 Excellence in Business Awards last month.

Stepping Stone's Emergency Housing in Anoka received the not-for-profit award, Essentially Massage in Blaine received the 2015 micro-business of the year award, Schaaf Floral in Fridley received the small business award, and Walters Recycling and Refuse in Blaine received the general business award.

Opening and running a business is not an easy task, but it is definitely a worthwhile venture. One of the reasons Minnesota is so incredible is because of these types of award winning businesses. Not only do they bring commerce, jobs, and a great product or service to their area; but they also add a unique touch to the community.

I thank each and every one of the owners of these businesses for everything they contribute to our community, and I wish them nothing but success in the future.

IN RECOGNITION OF THE 150TH ANNIVERSARY OF THE CITY OF SCRANTON

HON. MATT CARTWRIGHT

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 21, 2016

Mr. CARTWRIGHT. Mr. Speaker, I rise today to honor the City of Scranton, which will celebrate its 150th anniversary on April 23, 2016. Scranton has a long history of significant contributions to the economic, civic, and social development of our nation. The city was the center of America's anthracite coal industry, a major transport hub during the golden era of railroads, and home to the first electric streetcar.

In 1778, Isaac Tripp settled the village of Slocum Hollow in the Lackawanna Valley. With the founding of the Lackawanna Steel Company by Seldon and George Scranton in the 1840s, the small agrarian community rapidly transformed into a multicultural, industrial center responsible for producing T-rails, which were used to construct railroads all across the country. In February 1856, Scranton was officially established as a borough. On April 23, 1866, Scranton was incorporated as a city of 35,000 people and was merged with the neighboring communities of Hyde Park and Providence. When Lackawanna County was formed in 1878, Scranton was named as the county seat.

Today, Scranton is one of the largest metropolitan areas in the Commonwealth of Penn-

sylvania, with more than 75,000 citizens residing in the "Electric City." Many of the city's attractions, such as the Steamtown National Historic Site, Everhart Museum, and the Lackawanna Coal Mine Tour, commemorate Scranton's history as an industrial and cultural center. Scranton is home to a thriving, welcoming, diverse community committed to celebrating the ethnic heritage on which the city was built. It hosts one of the nation's largest St. Patrick's Day parades and La Festa Italiana. A hub for higher education, Scranton is also home to five colleges and universities: Marywood University, The University of Scranton, The Commonwealth Medical College, Lackawanna College, and Johnson College.

It is an honor to recognize Scranton on its sesquicentennial celebration. I am proud to represent a city so rich in history with so bright a future. May the citizens of Scranton honor their past with pride and look forward with confidence to great things as they celebrate the city's 150th anniversary.

NATIONAL ACADEMY OF FUTURE
SCIENTISTS AND TECH-
NOLOGISTS—CHANDLER GARRI-
SON

HON. PETE OLSON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 21, 2016

Mr. OLSON. Mr. Speaker, I rise today to congratulate Chandler Garrison from Pearland, TX for being accepted into the National Academy of Future Scientists and Technologists to represent the state of Texas at the Congress of Future Science and Technology leaders.

Chandler attends Glenda Dawson High School and is one of 13 high school honor students selected from the Twenty-Second Congressional District of Texas. These students were selected as Texas delegates at the Congress of Future Science and Technology Leaders. This program was designed for high school students to be recognized for their hard work in school, as well as to support their aspirations of working in a science or technology field. The National Academy was founded by Richard Rossi and Dr. Robert Darling; Mr. Rossi currently serves as president. The Congress is being held at the Tsongas Center at the University of Massachusetts, Lowell from June 29th through July 1st. Chandler was selected by a group of educators to be a delegate for the Congress thanks to her dedication to her academic success and goals of pursuing science or technology. We are proud of Chandler and all of her hard work, and know she will make Pearland proud.

On behalf of the Twenty-Second Congressional District of Texas, congratulations again to Chandler for being accepted into the National Academy of Future Scientists and Technologists. Keep up the great work.

RECOGNIZING THE FREEPORT
HIGH SCHOOL PRETZELS

HON. CHERI BUSTOS

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 21, 2016

Mrs. BUSTOS. Mr. Speaker, I rise today to recognize Freeport High School in Freeport, Il-

linois, for their unique and historic mascot known as the "Pretzels."

Freeport has been known as "The Pretzel City" for over a hundred years, and Freeport High School's mascot helps reflect this tradition. The city's namesake serves as a reminder of its unique cultural heritage, in which early German immigrants brought over their love of pretzels to establish bakeries that helped introduce this staple into the United States. As the mother of three sons who were educated by our public schools, I am proud of the students of Freeport High School for their school spirit and continued enthusiasm in promoting this iconic mascot.

Mr. Speaker, I want to again recognize the Freeport "Pretzels" for the important role their mascot has played in defining this region over the years.

RECOGNIZING AND CELEBRATING
THE 50TH ANNIVERSARY OF
BEACH CITY

HON. BRIAN BABIN

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 21, 2016

Mr. BABIN. Mr. Speaker, I rise today to recognize and celebrate the 50th anniversary of Beach City, in Chambers County, Texas.

Located between Trinity Bay and San Jacinto River, Beach City sits about eight miles southeast of Baytown, in western Chambers County. Through the 1800s this area was host to a number of bayside settlements and camps, and many scenes from the struggle for Texas independence.

In March 1836, following the fall of the Alamo and massacre at Goliad, Gen. Sam Houston ordered a retreat known as The Runaway Scrape. On the way to join up with the fleeing Texian Army, the famed Twin Sisters cannons passed through present-day Beach City, just in time to provide Gen. Houston with the firepower necessary to defeat the Mexican Army, and secure Texas' independence at the Battle of San Jacinto.

By the 1960s, facing possible annexation by nearby Baytown, Beach City residents overwhelmingly voted to incorporate. On April 11, 1966, Beach City's nearly 500 permanent residents officially incorporated. Newly established, Beach City had its first election on May 21, 1966, where the people chose Eloice Jordan to serve as their first mayor. Billy Combs currently serves as the 11th mayor of Beach City, a position he has held since 2010.

It is my distinct honor to recognize and celebrate the 50th anniversary of Beach City. May God bless Beach City even more richly in these next 50 years.
